

## Mario Ledencan – The Founder and the Managing Partner

### MANAGEMENT

The founder and the managing partner of the TreevestCapital is Mr. Mario Ledencan, who is responsible for all firm-wide matters including building and managing of entire operations, advisory services and investment activities. Mr. Ledencan has more than eighteen years of experience in the financial industry with an emphasis on Alternative Asset Management.

Prior to the launch of TreevestCapital, Mr. Ledencan was the Partner - Member of the Core Investment Committee, Head of Trading and Hedge Fund Manager at Aquila Capital, an award-winning independent alternative investment specialist and one of the top 25 European alternative investment firms. At Aquila Capital he was involved in building the business from scratch and significantly contributed in transforming a four-person company into a successful alternative investment specialist with €6bn AUM. Aquila Capital was named European Hedge Fund Firm of the Year in 2010 and 2012.

Before joining Aquila Capital, Mr. Ledencan worked as a senior equity derivatives trader for leading international banks in London and Frankfurt where he gained firsthand experience and a profound knowledge of derivative instruments and structured products, as well as investing and hedging strategies.

In 2014/ beginning of 2015 Mario was a senior member at SEI, a multi-award winning global operational outsourcing specialist, reflecting the consideration that success for any global Asset Management company depends highly on meeting increasingly challenging operational and regulative requirements, as well as offering high transparency towards investors and other interested parties.

Mr. Ledencan holds a Master degree in Business Administration from the J.W. Goethe University in Frankfurt/M, Germany, and is a regular international speaker on the industry's conference and training circuit.
